

8th American Cancer Society Ann Liguori Golf Classic
Monday, June 27, 2005

January 2005

Dear Friend,

Ann Liguori would like to personally invite you to the 8th Annual American Cancer Society Ann Liguori Golf Classic on Monday, June 27, 2005. We are honored by Ann's commitment to this event, and by the tremendous amount of time and effort she gives to make this tournament such a success for the American Cancer Society. This year's tournament will again be held at the Hampton Hills Golf and Country Club, Westhampton Beach, NY.

Funds raised through the Golf Classic are dedicated to our mission of eliminating cancer as a major health problem through research, education, advocacy and services to patients and their families, including our Camp Adventure; a weeklong sleep away camp for children with cancer and their siblings.

We appreciate your continued support and hope that you will join us for a great day of golf to support the American Cancer Society. The format of the Golf Classic is a team scramble. Prizes will be awarded to the teams that finish in the top five positions. There will be a long drive competition for men & women, two closest-to-the-pin holes and a hole-in-one. Fabulous golf opportunities and prizes will be featured in the live auction & raffle. **Please return the enclosed registration form early as the event fills on a first come, first serve basis and sells out very quickly.**
